2009 Grand List

Itemized Listing of Manufacturing Machinery and Equipment for Supplemental Exemption Form

INSTRUCTIONS:

Print or type only. You may submit a computer printout containing **All Required Information In The Prescribed Format.**
List only manufacturing machinery and equipment acquired and installed on or before October 2, 2004 & eligible for this partial exemption. Older manufacturing equipment not eligible for this exemption continues to be reported in the appropriate category of the declaration. Items listed on prior years' claims must continue to be listed on this year's M-65 in order to be considered for exemption.
All monetary amounts should be rounded to the nearest whole dollar.
Lessees are to provide only their transportation and installation costs (purchase price will be obtained from the lessor).
For leased property, enter lease ID # beneath the name and address of the lessor.
Provide IRS Classification; * Please refer to IRS Code Section 168 (e). **Do Not Provide Class Life**

TERMS

Total cost of acquisition is the price paid for the property, including the value of a 'trade-in', plus the cost of transportation and installation. (If installation required real property structural changes, the cost of such changes cannot be included.
The purchase price for self-constructed machinery and equipment is the unit cost.
Date installed for leased property is the beginning date of the lease.

Inaccurate information may affect qualification for exemption.

The information requested on this form is essential to the applicant or machinery and equipment qualifying for exemption. Regardless of past practices, forms submitted which are incomplete or do not conform to the prescribed format will not be accepted. Description of machinery and equipment should be complete and readily identifiable. Property described as "miscellaneous", manufacturing machinery or equipment", or numeric entries will not be accepted.
